OFFRE D’EMPLOI (Hors UMONS)

Origine des offres : Physicaloxy

Physicaloxy est le principal portail académique pour les carrières de professeurs, de conférenciers, de chercheurs et de gestionnaires académiques dans les écoles de sciences physiques et terrestres du monde entier.

Australia

- Jacob Haimson & Beverly Mecklenburg Lectureship
  University of Melbourne, School of Physics
- Animal Studies Teacher
  Kangan Institute

Austria

- Visiting Professor at the Faculty of Earth Sciences, Geography and Astronomy PRIORITY!
  University of Vienna

Belgium

- Full-Time Academic Vacancy In The Area Of Food Chemistry And Analysis
  University of Leuven, Department of Microbial and Molecular Systems (M2S)
• **Academic Position In Chemistry**
  University of Leuven, Faculty of Science, Department of Chemistry

• **Academic Position In Biochemistry - Chemical Biology**
  University of Leuven, Faculty of Science, Department of Chemistry, Division of Biochemistry, Molecular and Structural Biology

• **Full-Time Academic Position In Quantum Chemistry**
  University of Leuven, Faculty of Science, Department of Chemistry, Division of Quantum Chemistry and Physical Chemistry

• **Phd Student in Implementing District Energy Systems In Building Energy Assessment Methods**
  University of Leuven, Building Physics Section and the EnergyVille research center

**Canada**

• **UBC President's Excellence Chair in Forest Bioproducts** PRIORITY!
  University of British Columbia

• **Assistant Professor of Geomatics Engineering** PRIORITY!
  University of Calgary

• **Research Officer in Indoor Biocontaminants** PRIORITY!
  National Research Council / Conseil national de recherches Canada

• **Professor of Engineering Physics** PRIORITY!
  Polytechnique Montréal

• **Assistant or Associate Professor in Geographic Information Science (GIScience) and Urban Environments**
  Western University, Department of Geography

**China**

• **Faculty Positions in all areas of Information Science and Technology** PRIORITY!
  ShanghaiTech University

• **Post-doctoral position in Ye Jian Research Team**
  Shanghai Jiao Tong University

• **Tenure-track Positions at HIT Center for Life Sciences/School of Life Science and Technology**
  Harbin Institute Of Technology, School of Life Science and Technology

• **Post-doctoral Researcher of the team of Prof. Long Mingce**
  Shanghai Jiao Tong University, School of Environmental Science & Engineering

• **Post-Doctoral Researchers In Sensors, Measurement And Instrumentation Of Li Ping & Wen Yumei’ s Team**
  Shanghai Jiao Tong University, Department of Instrument Science and Technology

**Denmark**

• **PhD fellow in Submillimeter Astronomy**
  University of Copenhagen, Niels Bohr Institute

• **PhD fellow in Structural Biophysics**
  University of Copenhagen, Niels Bohr Institute

• **PhD fellow in Cheese Ripening and Microbiology**
  University of Copenhagen, Department of Food Science, Microbiology and Fermentation Section

• **Tenure Track in Food Metabolomics**
  Aarhus University, Department of Food Science

• **2-Yr Postdoc On “Disequilibrium Dynamics In Biodiversity And Ecosystems Under Global Change**
  Aarhus University, Department of Bioscience

• **2-Yr Postdoc On Macroecological And Meta-Analytical Perspectives On Rewilding**
  Aarhus University, Department of Bioscience

• **Professors in Food Science / Leader of an Interdisciplinary Research Center in Natural & Convenience Foods**
  Aarhus University, Department of Food Science

**Finland**

• **Postdoctoral Researcher in Bionanotechnology**
  Aalto University Department of Neuroscience and Biomedical Engineering

• **Postdoctoral Researcher or PhD Candidate in Chemistry (Enzymes)**
  Aalto University School of Chemical Engineering

• **Tenure Track Professor in Quantum Technology**
  Aalto University School of Science

**Germany**

- **Professur für Küstenschutz und Küstendynamik** **PRIORITY!**
  Universität Rostock
- **Research Assistants/PhD Students in Astrophysics**
  Georg-August-University Göttingen, Institute for Astrophysics
- **Research Assistant (Postdoc) in Physics**
  Free University of Berlin, Department of Physics
- **Research Assistant (Phd Student) in Physics**
  Free University of Berlin, Department of Physics
- **Ph.D. Position in Biophysical Chemistry**
  Georg-August-University Göttingen, Max Planck Institute for Biophysical Chemistry
- **Postdoctoral Research in Forest Sciences and Forest Ecology**
  Georg-August-University Göttingen, Faculty of Forest Sciences and Forest Ecology
- **Ph.D. Position in Materials Physics**
  Georg-August-University Göttingen, Institute of Materials Physics
- **Postdoctoral Research Assistant in Astrophysics**
  Georg-August-University Göttingen, Institute for Astrophysics
- **Phd Student in Tropical Forest Nutrient Limitation**
  Georg-August-Universität Göttingen, Soil Science of Tropical and Subtropical Ecosystems Group
- **Postdoc in Environment and Natural Resources**
  University of Freiburg, Faculty for Environment and Natural Resources
- **W2 Professorship in Geography and their Didactics**
  Georg-August-University Göttingen, Faculty of Geosciences and Geography

**Japan**

- **Assistant Professor or Postdoc Researcher in WPI-AIMR**
  Tohoku University, World Premiere Institute - Advanced Institute for Materials Research (WPI-AIMR)
- **Associate Professor Position in the Landslide Monitoring Laboratory**
  Kyoto University, Disaster Prevention Research Institute
- **Researchers for WPI-AIMR**
  Tohoku University, Advanced Institute for Materials Research
- **Lecturer or Assistant Professor in Food Science**
  Hiroshima University, Graduate School of Biosphere Science
- **Assistant professor in Chemistry**
  Hiroshima University, Graduate School of Science
- **2 Assistant Professor Positions In Theory Of Topological Phases**
  University of Tsukuba, Division of Physics

**Malaysia**
- **Research Fellow in Agricultural Engineering or equivalent in related area** PRIORITY!
  University Putra The Smart Farming Research Center

**New Zealand**
- **PhD Scholarships and Postdoctoral Fellowships** PRIORITY!
  Dodd-Walls Centre

**Norway**
- **Researcher Position In OBS Seismology**
  University of Bergen (UiB), Department of Earth Science
- **Doctoral Fellowship in Archaeology**
  University of Stavanger
- **Phd Position In Quantitative Palaeoecology And Ecology**
  University of Bergen (UiB), Department of Biology
- **Professor/Associate Professor In Terrestrial Biology/Vegetation Ecology**
  UNIS, Department of Arctic Biology
- **Associate Professor In Fisheries Science**
  University of Bergen (UiB), Department of Biology
- **Post-Doctoral Fellow Position In Quantitative Palaeoecology And Ecology**
  University of Bergen (UiB), Department of Biology

**Portugal**
- **Research Fellow – Micro and nanofabrication processes for fluidic devices** PRIORITY!
  International Iberian Nanotechnology Laboratory INL
- **Senior Proposal Writer Horizon 2020** PRIORITY!
  International Iberian Nanotechnology Laboratory INL

- Research Fellow in Catalytic Semihydrogenation of Acetylene
  International Iberian Nanotechnology Laboratory INL
- Research Laboratory Assistant on analysis of nanomaterials in environmental samples
  International Iberian Nanotechnology Laboratory INL
- Staff Researcher - Energy Harvesting for Sensor Networks
  International Iberian Nanotechnology Laboratory INL
- Staff Researcher – Tenure Track Position. Hybrid Sensing Devices
  International Iberian Nanotechnology Laboratory INL
- Digital Design Engineer
  International Iberian Nanotechnology Laboratory INL
- Research Fellow in MicroElectrodes for Neurodegenerative Disease Monitoring
  International Iberian Nanotechnology Laboratory INL
- Spintronics Microfabrication Engineers
  International Iberian Nanotechnology Laboratory INL
- Systems Technician - Information and Communication Systems
  International Iberian Nanotechnology Laboratory INL
- Research Fellow: (Scanning) Transmission Electron Microscopy
  International Iberian Nanotechnology Laboratory INL
- Facility Manager - Cryo Electron Microscopist
  International Iberian Nanotechnology Laboratory INL
- Information and Communication Systems Officer – Software Developer
  International Iberian Nanotechnology Laboratory INL
- Research Associateship/Research Fellowship (BI) - Condensed Matter Theory
  International Iberian Nanotechnology Laboratory INL
- Postdoctoral Research Fellow in Microfluidic Organ-on-a-Chip
  International Iberian Nanotechnology Laboratory INL
- Staff Researcher – Tenure Track Position. Integrated Microsystems for Molecular Fingerprinting
  International Iberian Nanotechnology Laboratory INL

• **Research Fellow - Expert in Flexible All-Solid-State Batteries and Supercapacitors** PRIORITY!
  International Iberian Nanotechnology Laboratory INL
• **Head of Department of Advanced Electron Microscopy, Imaging and Spectroscopy** PRIORITY!
  International Iberian Nanotechnology Laboratory INL
• **Staff Researcher – Tenure Track Position. Water Monitoring and Treatment** PRIORITY!
  International Iberian Nanotechnology Laboratory INL

**Russian Federation**

• **Faculty Positions in Design, Manufacturing & Materials** PRIORITY!
  Skolkovo Institute of Science and Technology

**Sweden**

• **Postdoctoral in Experimental Hadron Physics**
  Uppsala University, Department of Physics and Astronomy
• **University Lecturer In Meteorology**
  Uppsala University, Department of Geosciences
• **University Lecturer In Applied Nuclear Physics With Focus On Fission Mechanisms And Core Data**
  Uppsala University, Department of Physics and Astronomy
• **Doctoral student in Synchrotron Light Physics**
  Lund University, Faculty of Science, Physical Education
• **PhD Student In Organic Chemistry**
  Uppsala University, Department of Chemistry-BMC
• **University Lecturer In Applied Nuclear Physics With A Focus On Diagnostics In Nuclear Applications**
  Uppsala University, Department of Physics and Astronomy

**Taiwan**

• **Research Positions in Center of Advanced Model Research Development and Application (CAMRDA)**
  National Central University, College of Earth Sciences
• **Tenure-track or Project Assistant/Associate/Full Professor in Satellite Remote Sensing, Photogrammetry**
United Arab Emirates

- **Faculty in Chemistry**
  Higher Colleges of Technology, Department of Math & Natural Science
- **Visiting Professor in Physics**
  Abu Dhabi University, College of Arts and Sciences

United Kingdom

- **3 x Professorial Appointments in analytical, biomaterials and physical chemistry** PRIORITY!
  University of Strathclyde
- **Post-doctoral Research Associate in Composite Materials**
  University of Derby, SSUCHY
- **Research Fellow in Raman Spectroscopy and Optical Tweezers**
  University of Nottingham, Department of Physics & Astronomy
- **Assistant/Associate/Professor of Experimental Quantum Physics/Technology**
  University of Nottingham, Department of Physics & Astronomy
